

ATTENDANCE CERTIFICATE

As coordinators of the webinar entitled "**Emerging researchers in the Spanish Biocatalysis**" organized by the Spanish Biocatalysis Scientific Network (RT-BIOCAT) with the help of the Spanish Society of Biotechnology (SEBIOT),

We certify that

Mr Juan Mangas Sánchez

has participated in this session as plenary speaker with the conference entitled

Expanding the scope of biocatalytic chiral amine synthesis

The event was held on September 22nd 2021 via ZOOM platform, providing a deeper knowledge about young researcher perspective careers and the recent investigations in different topics such as computational biochemistry, enzymatic synthesis, nanobiotechnology and the use of flow microreactors.

This is signed on 23rd September 2021 by the coordinators of this webinar:
