

From 1st January 2024 until 29th February 2024, the Aragonese Agency Foundation for Research and Development (ARAID) is launching a **New International Call** to hire up to a maximum of **12 Researchers** with a consolidated track record of high-quality research and a demonstrated capacity for leadership, to join any research institution/centre of the region as Host, in the research areas open to applications in this call, which are:

- Health, biotechnology, and biomedicine
- Energy and sustainable mobility
- Environment and natural resources
- Agri-food
- Heritage, social, and cultural development
- Digital technologies
- New materials and processes
- Physics of matter and space

Candidates are required to have **6 or more years of postdoctoral experience** (at the end of the application submission deadline), with at least 2 years of research residency in centres of recognized national and international prestige, outside Aragon.

Main new features:

Up to **€30,000** will be granted as a startup aid for expenses directly related to the initiation and carrying out of their research project.

Also, a relocation support payment of up to **€3,500** will be granted to researchers residing outside Spain to Aragon.

As an exceptional case, the **Digital Technologies** panel will accept applications that have at least **2** or more years of postdoctoral experience (1 year research residency).
